

CEFAS LITTER / WASTE CATEGORISATION STUDY	 CITY OF CAPE TOWN ISIXEKO SASEKAPA STAD KAAPSTAD
LETTER TO PARTICIPANT	
CITY OF CAPE TOWN SOLID WASTE MANAGEMENT	

Dear Participant

The City would like to inform you that the Centre for Environment Fisheries and Aquaculture (Cefas) will be gathering samples of waste and information by conducting a survey questionnaire interviewing residents of the area. The purpose of the interview is to obtain information on types of waste and related information on communities, which will contribute in assisting Cefas on how to reduce land based litter and plastics affecting marine resources. The City therefore supports Cefas research study and value your input and participation. As participant you should note the following:

1. This interview is voluntary and you can withdraw from the interview at any time.
2. There are no implications should you decide to withdraw from the interview session.
3. Please note, that all information received from the interview session will be treated with the utmost confidentiality and your anonymity is respected.
4. All records will be kept in a safe place and only the researcher will have access to the information.

Should you require any further information with regard to this study please contact City of Cape Town Solid Waste Management, Toeghfa Leite (021) 400 5267 or Leander van Oordt: 021 400 2292/ 084 4993140
