ENERGY WATER WASTE FORUM

A PARTNERSHIP FOR THE CAPE TOWN COMMERCIAL SECTOR

25 July 2019

You are invited to the Energy Water Waste Forum meeting

When: Tuesday, 13 August 2019

Time: 09:00 – 13:30 (registration at 08:30)

Venue: West Campus Presentation Room, Old Mutual Head Office, Pinelands

Theme: **Putting your waste to work: Cape Town on the road to zero waste**

Agenda

The business of waste

We will discuss issues facing the Western Cape waste sector and what waste means for your business. City of Cape Town representatives will present the major challenges in the waste industry, as well as highlight plans for the sector.

Putting waste to work

Commercial leaders in the waste industry will unpack the issues related to single use plastics, the circular economy and innovative solutions for plastics use and commercial PET recycling.

You can also look forward to learning more about innovative waste projects, including Paka-ching, a community waste collection programme that gives back to those who need it most.

Talk to the experts

Panel discussions with the speakers will allow you to engage directly and share your concerns, questions and ideas.

RSVP here by Friday, 9 August 2019.

Note: No attendance fee required. A light finger lunch will be served.

Please forward this invitation to your networks.

For more information, contact Pholela Mcata on EWV.Forum@capetown.gov.za or 021 400 1092.
